

20 April 1976

MEMORANDUM FOR: C/CED
C/COD

SUBJECT : Changes in the FY 77-78 Program Plan

1. This memorandum is to inform you of the results of the FY 77-78 R&E budget hearings with the ADDS&T. OTS/APB submitted a notebook and briefing to the ADDS&T that was consistent with the one you attended with the TRB Working Group. After reviewing our inputs and comparing them with the inputs from each of the customer/user offices, Dr. Stevens has made some adjustments in our planned program for FY 77-78. The attached sheet summarizes the new FY 77-78 program plan in the area of your concern.

2. The ADDS&T did identify projects that he termed "of critical importance." In the EMCC support for the Office of Communications, the [redacted] program was identified as high priority.

[redacted]
C/OTS/APB
